PIANTA CHIAVE

The map illustrates the proposed railway line between Battiapaglia and Potenza, passing through Lamezia Terme and Reggio Calabria. Key features include:

- Stations:** Battiapaglia, Lamezia Terme, Reggio Calabria, and various intermediate stations (GA12 to GA100).
- Infrastructure:** The railway line is shown as a red dashed line, with existing roads and infrastructure marked in blue and black.
- Geography:** The map shows the terrain, including hills and valleys, and the location of the Battiapaglia-Potenza railway line.
- Compass Rose:** A compass rose in the bottom left corner indicates North.
